BURN THE MORTGAGE CAPITAL CAMPAIGN PLEDGE FORM

"Building on the Past... With a Vision to the Future..."

In his letter to our church in the 1960s, Father James Diavatis said this, "with God's gracious favor, and through the untiring and unselfish efforts of many of our people, we are making great progress toward the building of our much-needed new church, hall, and classrooms, to be located on Chase Parkway..."

Each generation has been called to accomplish something different for the betterment of our community. What last generation built, we are called to preserve and upgrade. The goal of our capital campaign is this; to celebrate our 100th anniversary, to better our financial situation for future generations and to begin making the necessary upgrades to our church and facilities.

As Father Jim said so many years ago, we too, "with God's gracious favor, and through the untiring and unselfish efforts of many of our people," are making progress in this effort! Thank you for your present and future support. If you have not done so, please join the Burn the Mortgage team! For more information, please contact John Gagas (Chair), a member of the committee, the church office or Fr. Perikles. Learn more at www.holytrinitywaterbury.org/100th-anniversary/burn-the-mortgage.
